

Evening cultural program in Kitzbühel

Cabaret "Unverpackt - was länge gärt wird endlich Wut" - Ludwig W. Müller

20.09.2022 / Kleinkunst Kitzbühel attracts on Friday, September 23rd, 2022 at the cabaret of Ludwig W. Müller with his program "Unverpackt - was lange gärt wird endlich Wut" in the traditional Café Praxmair in the Kitzbühel Vorderstadt.

Debut in the Praxmair

On Friday, September 23rd, 2022 at 8:00 pm, the Upper Austrian Ludwig W. Müller heralds the start of the new cabaret season at Café Praxmair Kitzbühel. Ludwig W. Müller is many things: cabaret artist, author, lyricist, to name only a few. In his program "Unverpackt - was lange gärt wird endlich Wut" (Unpacked - what ferments for a long time finally becomes anger), the all-round talent processes current events into a suitable rhyming format with appropriate punchlines and word jokes. Routinely succeeds the chairman of the association of the friends of the Schüttelreims with seat in Vaduz to give air to its daily shrinkage by its eloquence. And this live on stage. A pleasure for all spectators!

The cultural evenings are supported in cooperation with the Verein zur Förderung der Kleinkunst Kultur in Kitzbühel (association for the promotion of cabaret Kitzbühel), which has been organizing monthly cabaret evenings for over 30 years. A varied program with a wide variety of up-and-coming artists awaits interested Kitzbühel residents and visitors alike at the association's home base, Café Praxmair. With lively and rousing performances, they always bring culture to life.

Admission costs EUR 18.00.

Tickets are available from Kitzbühel Tourism, Hinterstadt 18.
