Altitude profile

Description

An easy, family-friendly route, with gentle climbs. Starting at Wörgl the route takes you along paths and quiet back roads to Hopfgarten. At the far end of Hopfgarten there is a short section on the main road, before turning off to cycle along next to the Windauer Ache stream all the way to the Jägerhäusel. From here the route takes you along a tarmac road to Westendorf. Shortly after reaching the centre of Westendorf you turn right towards Brixen im Thale, and continue along quiet roads and gravel paths through Brixen, and Kirchberg on to Kitzbühel. Shortly before reaching Kitzbühel you pass the Schwarzsee lake, one of the 3 swimming lakes along the route. This tour also has connections to bike tours RWW Söllland and Leukental.
