## Description

Start of this hike is at the Kelchalm ruins. From there it goes into the valley end of the Kelchalmgraben, past Nieder- und Oberkaseralm up to the gate. It follows the partly insured ascent to the Tristkogel. Then the airy ridge (surefootedness, head for heights) direction Saaljoch. There pleasantly uphill to the Saalkogel and only a few minutes comfortably to the Rauber. Via Hahnenkampl and Laubkogel back down to the valley - with five magnificent summit ascents. At the Kelchalm, the well-deserved reward awaits in the form of local delicacies.
