Description

The 9-summit experience trail starts from Bochumer Hütte car park and passes the "Bochumer Hütte" mountain hut on the way up to the first summit, the Laubkogel. From there it runs along the ridge to Hahnenkempel, Rauber and Saalkogel. The subsequent climb up to the 5th summit, the Tristkogel, guarantees unique views of the surrounding mountains. After a little refreshment the route leads uphill towards the Torsee lake and the Teufelssprung summit. The hike continues via the 7th summit, the Gamshag, which leads to the Kleiner Schütz and the Schützko (Großer Schütz). The route back down passes the Schlichtenalm and the Niederkaseralm mountain huts before returning to the starting point.
