Description

Start of the hike is the Hahnenkamm mountain station. From there, the summer experience Streif takes you in the direction of the St. Bernhard Chapel. The next milestone of the hike is the Ehrenbachhöhesee - here you can briefly refresh your feet. From the Ehrenbachhöhe, the hike continues via Hochbrunn to the Jufenkamm and the storage ponds Brunn and Usterkarsee. Now follows the biggest ascent of the hike to the Schwarzkogel (surefootedness is a prerequisite!). After a short rest on the mountain top, the trail descends to Blaue Lacke - a beautiful mountain lake with turquoise-blue water. Through the Saukasergraben it then goes down into the valley to Jochberg. From there you can take the bus back to Kitzbühel.
