Description

Our starting point is Jochberg Wald. We cross the main road and follow the signs to the Trattenbachalm. A winter hiking trail that also serves as a toboggan run. However, the Trattenbachalm does not offer toboggan rentals. This hike leads through a magnificent winter landscape away from the surrounding ski slopes. Only shortly before reaching the Trattenbachalm do you have to cross the ski slopes twice. Caution, some sections may be icy!
