Altitude profile

Description

The toboggan run on the Gaisberg is the only one in the area to bear the seal of quality for natural toboggan runs. The 4-seater chairlift takes you directly to the start of the toboggan run in no time. From there, the tobogganing fun can begin. Those who can't get enough of tobogganing during the day can let off steam during the illuminated night tobogganing. The cozy mountain huts along the route invite you to stop for refreshments. Toboggans can be rented directly at the valley station.
