Description

Open from December to March, depending on weather conditions.

Tobogganing is one of the oldest winter sports that everyone can do and is always fun!

That is precisely why tobogganing captivates everyone - from toddlers to adults.

Our toboggan run is approx. 5 km long and can only be reached on foot, which all sledders appreciate at the latest during the car-free descent into the valley.

And the mulled wine tastes much better after an approx. two-hour hike through the snowy winter landscape.

Arrival:

Approx. 100 m before the Waldwirt in the direction of Pass Thurn, turn right into a side path where you can also park.

After an approx. two-hour hike you will reach the Trattenbachalm, the starting point of the tobogganing fun.

Rental toboggans are available at Skiladl (next to the Wagstätt gondola) or directly at the Trattenbachalm.

ATTENTION: The toboggan run is not illuminated.
